Personalised Assessment

Following your initial contact, you will be required to complete two assessments:

1. **Medical Assessment:** This must be completed by a Doctor using our documents or a full Health Summary provided. A Medical Certificate for 3 months is required from Centrelink for participation in the program. Scripts for 3 months will also be required and you will need to take these to a Chemist and ask that they be Webster packed for the program.
2. **Psychological Assessment:** This can be completed by one of our counsellors or by a qualified support worker or Pastor.

Once these assessments have been completed, your application will be sent out to Wandalgu for final approvals.

Please Note: Our assessment documents are available for printing out on our website and can be found at:

www.suncitychristiancentre.com.au

(Please follow the link to Sun City Care and the documents are located at the bottom of the page.)

Admission Requirements

If you are accepted into the program, the following requirements will need to be met prior to you being transferred to Wandalgu:

1. You should be physically and mentally able to participate in daily activities. If you are concerned with any physical or mental health conditions, please discuss this at your admissions interview.
2. You must be willing to abide by our participation rules and regulations which will be explained to you during the assessment process.
3. You must be willing to participate in all aspects of the program, every day during your stay.
4. You will be required to have set up your payment options, through Centrepay or by direct deposit.

Our Centrepay details are:
